

CENTRAL DISTRICT COUNCIL
PHYSICAL PLANNING DIVISION

(1) FORWARD PLANNING

(A) SERVICE DESCRIPTION

- Preparation of village development plans.
- Preparation of detailed layout plans for villages which are then used as the basis for plot allocation by the Landboard.
- Preparation of village land use zoning plans.

(B) HOW DO I OBTAIN THE SERVICE

The service of forward planning does not involve the public as such except during the consultation stage of presenting the design of layout plans and development plans.

This service involves mostly institutions such as the Land Board, other government institutions as well as those who are affected by the development proposal. This service is offered through consultation meetings with the relevant stakeholders during the plan preparation process.

(C) HOW DO I APPLY FOR THE SERVICE

There is no application procedure for this service and this service is the same for both citizens and non-citizens.

(D) COST INVOLVED IN OBTAINING THE SERVICE

There is no cost involved in obtaining this service.

(E) WHERE CAN I GET THE INFORMATION

Customers can acquire information from physical planning offices, public relations office and organization's website (www.cdc.gov.bw). Moreover, brochures containing planning information for specific development proposals can be obtained in all Physical Planning Offices in the Sub-districts and Administrative Authorities, these being
